DURHAM CENTRAL MARKET ~ GIFT SHARE REQUEST

Here's how it works. You fill out the form below and send it to us with a check for $100 per share. We create a gift card and put it in an envelope with an ownership application for your gift recipient to complete and return to us. You can have us send this gift envelope directly to your recipient or have us send it to you. If you elect to have the premium included (such as a shopping bag) we ask you to choose "I'll pick up" or "I'm adding $5 for postage and handling." When we receive the ownership form we will issue the owner share to the recipient. Since purchasing an owner share is a legal transaction we must request that the recipient sign the ownership application and return it to us within three months of the date of issue. Should the recipient neglect to mail the application within three months Durham Central Market will retain your purchase fee without issuing a share. By signing below you agree to these terms.
